

A G E N D A Tuesday, April 9, 2024 8:00 a.m.

PLEASE NOTE: You are able to join the meeting via Zoom - the invitation to the meeting is attached to the email forwarding this agenda.

- 1. Approved the minutes of the Regular Meeting held March 12, 2024.
- 2. Approve the airport vouchers totaling \$443,783.12.
- 3. Approve individual vouchers:
 - A. MEAD & HUNT \$98,607.96 Passenger Terminal Expansion.
 - B. MEAD & HUNT \$10,144.21 North General Aviation Apron Expansion.
 - C. MEAD & HUNT \$13,800.00 Electrical equipment and replace airfield lighting.
 - D. MEAD & HUNT \$461.69 Security access system upgrade.
 - E. MEAD & HUNT \$56,962.42 Glycol sewer forecemain.
 - F. CUMMING GROUP \$991.25 Terminal expansion CMAR contract preparation.
 - G. MEAD & HUNT \$2,976.00 Title VI Program.
 - H. TERRACON \$654.50 Quality control testing – elevator project.
 - MCGOUGH CONSTRUCTION \$120,815.00
 Partial Payment Request #9, terminal expansion elevator.
 - J. ARNTSON STEWART WEGNER PC \$9,839.43 Bank of ND loan legal services.

AGENDA APRIL 9, 2024 PAGE 2

- K. VOLAIRE AVIATION \$1,875.00 Monthly air service data.
- L. FLINT GROUP \$12,725.00 2024 Airport Marketing.
- M. MCGOUGH CONSTGRUCTION \$ Partial Payment Request #10, terminal expansion elevator.
- N. ADB SAFEGATE \$99,672.70, \$37,859.45, \$12.477.61 Airfield lighting upgrade to LED (Sourcewell Contract 72116).
- O. COLUMN SOFTWARE PFC (FORUM LEGALS) \$364.80 Legal ad, electrical vault project.
- 4. Receive February 2024 financials and final December 2023 financials.
- 5. Receive 2023 Audit documents from Brady Martz.
- 6. Receive update regarding parking structure and elevated walkway project and temporary parking plan.
- 7. Receive update regarding passenger terminal and renovation project.
- 8. Receive communication from the National Weather Service extending their leases for the airfield ASOS and Eastside Terminal equipment.
- 9. Receive communication from Midco requesting easement to install fiber in the North General Aviation Area.
- 10. Receive Construction Phase Engineering Services Agreement from JK Engineers, Inc. for Electrical Vault Modifications – time and material not to exceed \$22,920.00.
- 11. Receive bid tabulation and recommendation of award from Mead & Hunt for South Perimeter Road Realignment.
- 12. Ivy Oland introduction regarding art in the terminal project.

Join Zoom Meeting

https://us02web.zoom.us/j/428180443?pwd=U1hwMGJmVmdyc1ljUGE1Mkl0VnRBdz09 Meeting ID: 428 180 443 Password: 2801 Dial (669-900-6833) or (253-215-8782)

If necessary, the Municipal Airport Authority may enter into executive session to consider or discuss closed or confidential records or information pursuant to North Dakota Century Code Sections 44-04-19.1, 44-04-19.2., 44-04-24 and 44-04-26.

MUNICIPAL AIRPORT AUTHORITY

Regular Meeting

Tuesday

March 12, 2024

Page No. 1

The Regular Meeting of the Municipal Airport Authority of the City of Fargo, ND was held Tuesday, March 12, 2024 at 8:00 am.

Present: Engen (via zoom), Berg, Cosgriff, Ekman, Kapitan Absent: None Others: Bossart

Chair Kapitan presiding.

Approved the Minutes of the Regular Meeting Held February 27, 2024:

Berg moved to approve the minutes of the Regular Meeting held February 27, 2024. Second by Cosgriff. All members present voted aye. Motion carried.

Approved the Airport Vouchers Totaling \$305,716.62:

Berg moved to approve the airport vouchers totaling \$305,716.62. Second by Cosgriff. On the call of the roll, Engen, Berg, Cosgriff, Ekman, Kapitan voted aye. Motion carried.

Approved the Individual Vouchers:

Berg moved to approve the individual vouchers:

- A. VOLAIRE AVIATION \$1,875.00 Monthly data subscription.
- B. VOLAIRE AVIATION \$17,500.00 Passenger leakage study.
- C. FLINT GROUP \$13,755.00 2024 Marketing Program.
- D. TL STROH ARCHITECTS \$280,000.00 Parking structure project.
- E. THE HANOVER INSURANCE GROUP \$505.00 Builder's Risk Insurance – Elevator Project, Westside Terminal.

Approved the Individual Vouchers: (continued)

Second by Cosgriff. On the call of the roll, Engen, Berg, Cosgriff, Ekman, Kapitan voted aye. Motion carried.

Received January 2024 Financial Statement:

Berg moved to receive and file the January 2024 Financial Statement. Second by Cosgriff. All members voted aye. Motion carried.

Received Communication from EideBailly Regarding Consulting and Engagement Agreement for Business Planning and Analysis, Outsourced CFO Services:

The communication dated March 8, 2024, from EideBailly was received without objection. Dobberstein stated Chad Flannagan, EideBailly, is present if anyone has questions. This is the next step in the engagement process with EideBailly for the following services:

OMS Services – Packaged Business Planning & Analysis

OMS Services – Outsourced CFO

Dobberstein stated he has worked with Flanagan and his team at EideBailly for quite a while on this. He stated Attorney Bossart has reviewed this from a legal standpoint. He stated he would recommend approval.

Berg moved to approve the scope of engagement with EideBailly as presented. Second by Cosgriff. All members present voted aye. Motion carried.

Received Communication from SP Plus Regarding Extension of Parking Facilities Management Agreement:

Gregory Pierson, Regional Manager, SP Plus Airport Services, was recognized.

The communication from Mr. Pierson dated March 7, 2024, was received and filed without objection.

Dobberstein stated SP Plus is requesting a five-year and six-month extension effective July 1, 2024 – December 31, 2029, and recommended the board grant this request.

Berg moved to extend the agreement with SP Plus through October 1, 2025. Second by Cosgriff.

Berg, Cosgriff, Ekman voted aye. Engen, Kapitan voted no.

Engen, Kapitan voteo

Motion carried.

Continued Discussion Regarding Employee Parking:

Cosgriff stated there are two issues with parking. One is to look at all available surface parking on the airport, even asking some of the other vendors (rental car companies) if they could make space available during the construction process as we try to make the most accommodating parking for our customers while also accommodating our employees as we go forward. The second would be a whole parking policy.

Continued Discussion Regarding Employee Parking: (continued)

Berg moved that we develop a transition plan to include all surface parking and how we are going to transition through completion of construction and staff can determine who would be the point person.

Second by Cosgriff.

Jeff Klein, Mead & Hunt, was recognized and stated they would certainly be willing to lead that, although it will be a group effort. He stated they can assist with the logistics of phasing and moving parking around. They would not get into any type of revenue management.

All members present voted aye. Motion carried.

Greg Pierson gave a presentation on parking contingencies during ramp construction, including valet operation and pay with phone options.

Received Update on Parking Structure and Elevated Walkway Project; Approved Procurement of Bids for Parking Structure Bid Package #2 (Anticipated Value \$9,000,000.00):

Oliver Finneman, McGough Construction, was recognized and stated today they are seeking authorization to advertise for bids on Bid Package #2 at an estimated value of \$9 million.

Berg moved to approve procurement of bids for parking structure Bid Package #2. Second by Cosgriff.

Terry Stroh, TL Stroh Architects, was recognized via zoom and stated the bidding process for the parking ramp is being done in a staged process because of delivery times and other issues. The next bid package will be for deep foundation work. The final bid package will be mechanical, electrical and signage. He stated the project is still on schedule to begin in June.

On the call of the roll, Engen, Berg, Cosgriff, Ekman, Kapitan voted aye. Motion carried.

Received Update on Passenger Terminal Expansion and Modification Project:

Oliver Finneman, McGough Construction, was recognized and reviewed the following items for approval:

- Receive Amendment No. 3 to AIA A133-2019 agreement between MAA and McGough Construction for passenger terminal expansion and modification project (changes requested by FAA).
- Receive GMP #1 change order to tile elevator (\$28,348.48) McArthur Tile Co.; Terrazzo floor patching awarded to Advance Terrazzo & Tile Co., included in GMP #1.
- Receive amendment to Bid Package #1 for GMP #2 (\$17,754,492.00) associated with American timber supplier and Buy American requirements.
- Approve procurement of bids for terminal expansion anticipated value \$48,000,000.00

Received Update on Passenger Terminal Expansion and Modification Project: (continued)

Brandon Halverson, Mead & Hunt, was recognized via zoom, and stated he has reviewed all of these items and recommends approval.

Berg moved to approve the four items as presented.

Second by Cosgriff.

On the call of the roll, Engen, Berg, Cosgriff, Ekman, Kapitan voted aye. Motion carried.

Received Change Order #1 for Gate #4 Boarding Bridge for an Increase of \$5,544.00 (Install New Baggage Slide):

Jeff Klein, Mead & Hunt, was recognized and stated when the new boarding bridge was installed at Gate 4 it was the original scope of the project to reinstall the baggage slide from the existing bridge to the new bridge. He stated that was not possible, so this change order provides a new baggage slide attachment, with the installation to be completed by MAA staff.

Berg moved to approve Change Order #1 to the Gate 4 Boarding Bridge Replacement at a cost of \$5,544.00.

Second by Ekman.

On the call of the roll, Engen, Berg, Cosgriff, Ekman, Kapitan voted aye. Motion carried.

Received Bid Tabulation and Recommendation of Award from Mead & Hunt for Electrical Equipment and Lighting Replacement Project:

Bid tabulation for Electrical Equipment & Lighting Replacement from Mead & Hunt was received and filed. Bids received as follows:

Sun Electric, Inc.	\$265,858.00
PEC Solutions of the Dakotas	\$447,345.00
Engineer's Estimate	\$280,425.00

Berg moved to award the Electrical Equipment & Lighting Replacement project to Sun Electric, Inc.

Second by Ekman.

On the call of the roll, Engen, Berg, Cosgriff, Ekman, Kapitan voted aye. Motion carried.

Authorized Attendance at the AAAE Airport Winter Operations and De-icing Conference, July 21-23, 2024, Pittsburgh, PA:

Berg moved to authorize attendance at the AAAE Airport Winter Operations and Deicing Conference, July 21-23, 2024, Pittsburgh, PA.

Second by Ekman. All members present voted aye. Motion carried.

Berg now absent.

Regular Meeting Held March 12, 2024

Kelsey Miller, Flint Group, was recognized via zoom and stated they advertised a request for proposals for an electronic sign on 19th Avenue. She stated they received inquiries from about seven providers throughout the country, but we received only one proposal.

Indigo Signs \$234,995.00

After discussion, Berg moved to direct staff to come up with a process to maximize advertising on the airport and sponsorships and bring back recommendations to the board.

Second by Cosgriff. All members present voted aye. Motion carried.

Representatives from Flint Group (Kelsey Miller, Nicole Jurkic) were recognized via zoom and presented their media recommendation for April-December 2024, at a proposed net budget of \$200,000.00.

Ekman moved to accept the proposal presented by Flint Group. Second by Cosgriff. On the call of the roll, Cosgriff, Ekman, Kapitan voted aye. Engen voted no. Berg absent. Motion carried.

Continued Discussion Regarding Terminal Expansion Play Area:

Attorney Bossart stated Ekman had proposed to the board the idea of approaching Sanford with the idea of having them sponsor the play area in the terminal expansion project. She stated she reviewed the Clear Channel contract, and it would be their responsibility to solicit those proposals and as a political subdivision it would need to follow a legally advertised RFP process.

There was further discussion. No action taken.

Cosgriff moved to adjourn the meeting. Second by Ekman. All members present voted aye. Motion carried. Time at adjournment was 10:16 a.m.

March 28, 2024

Brady Martz & Associates, PC 401 Demers Ave Suite 300 Grand Forks, ND 58201

This representation letter is provided in connection with your audit of the financial statements of Municipal Airport Authority of the City of Fargo, ND, which comprise the respective financial position of the business-type activities, as of December 31, 2023, and the respective changes in financial position and cash flows for the year then ended, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of March 28, 2024, the following representations made to you during your audit.

Financial Statements

- We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated December 27, 2023, including our responsibility for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP and for preparation of the supplementary information in accordance with the applicable criteria.
- 2) The financial statements referred to above are fairly presented in conformity with U.S. GAAP and include all properly classified funds and other financial information of the primary government and all component units required by generally accepted accounting principles to be included in the financial reporting entity.
- 3) We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
- 4) We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- 5) The methods, significant assumptions, and data used in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable in accordance with U.S. GAAP.
- 6) Related party relationships and transactions, including revenues, expenditures/expenses, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed in accordance with U.S. GAAP.

- 7) Adjustments or disclosures have been made for all events, including instances of noncompliance, subsequent to the date of the financial statements that would require adjustment to or disclosure in the financial statements or in the schedule of findings and questioned costs.
- 8) We are responsible for and have reviewed the proposed adjustments to the trial balances identified during the audit, which are included in the attached schedule of adjustments and we will post these accordingly. We have reviewed, approved, and are responsible for overseeing the preparation and completion of the basic financial statements and related notes.
- 9) The effects of all known actual or possible litigation, claims, and assessments have been accounted for and disclosed in accordance with U.S. GAAP.
- 10) Guarantees, whether written or oral, under which the Authority is contingently liable, if any, have been properly recorded or disclosed.

Information Provided

11) We have provided you with:

- a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records (including information obtained from outside of the general and subsidiary ledgers), documentation, and other matters and all audit or relevant monitoring reports, if any, received from funding sources.
- b) Additional information that you have requested from us for the purpose of the audit.
- c) Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
- d) Minutes of the meetings of Board of Commissioners or summaries of actions of recent meetings for which minutes have not yet been prepared.
- 12) All material transactions have been recorded in the accounting records and are reflected in the financial statements and the schedule of expenditures of federal awards.
- 13) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 14) We have no knowledge of any fraud or suspected fraud that affects the entity and involves:
 - a) Management,
 - b) Employees who have significant roles in internal control, or
 - c) Others where the fraud could have a material effect on the financial statements.
- 15) We have no knowledge of any allegations of fraud or suspected fraud affecting the entity's financial statements communicated by employees, former employees, regulators, or others.
- 16) We have no knowledge of instances of noncompliance or suspected noncompliance with provisions of laws, regulations, contracts, or grant agreements, or waste or abuse, whose effects should be considered when preparing financial statements.
- 17) We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements, and we have not consulted a lawyer concerning litigation, claims, or assessments.

18) We have disclosed to you the names of the entity's related parties and all the related party relationships and transactions, including any side agreements.

Government—specific

- 19) There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
- 20) We have a process to track the status of audit findings and recommendations.
- 21) We have identified to you any previous audits, attestation engagements, and other studies related to the objectives of the audit and whether related recommendations have been implemented.
- 22) We have identified to you any investigations or legal proceedings that have been initiated with respect to the period under audit.
- 23) We have provided our views on reported findings, conclusions, and recommendations, as well as our planned corrective actions, for the report.
- 24) The Authority has no plans or intentions that may materially affect the carrying value or classification of assets, deferred outflows of resources, liabilities, deferred inflows of resources, or net position.
- 25) We are responsible for compliance with the laws, regulations, and provisions of contracts and grant agreements applicable to us, including tax or debt limits and debt contracts, and legal and contractual provisions for reporting specific activities in separate funds.
- 26) We have appropriately disclosed all information for conduit debt obligations in accordance with GASB Statement No. 91.
- 27) We have identified and disclosed to you all instances of identified and suspected fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we believe have a material effect on the financial statements.
- 28) There are no violations or possible violations of budget ordinances, laws and regulations (including those pertaining to adopting, approving, and amending budgets), provisions of contracts and grant agreements, tax or debt limits, and any related debt covenants whose effects should be considered for disclosure in the financial statements, or as a basis for recording a loss contingency, or for reporting on noncompliance.
- 29) As part of your audit, you assisted with preparation of the financial statements and related notes, schedule of expenditures of federal awards and data collection form, proposition of journal entries, assistance with GASB 87 Lease Standard, and assistance with implementation of GASB 96 Standard. We acknowledge our responsibility as it relates to those nonaudit services, including that we assume all management responsibilities; oversee the services by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, or experience; evaluate the adequacy and results of the services performed; and accept responsibility for the results of the services. We have reviewed, approved, and accepted responsibility for those financial statements and related notes, schedule of expenditures of federal awards, the data collection form, proposition of journal entries, assistance with GASB 87 Lease Standard, and assistance with implementation of GASB 96 Standard.
- 30) The Authority has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral.
- 31) The Authority has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

- 32) The financial statements include all fiduciary activities required by GASBS No. 84, as amended.
- 33) The financial statements properly classify all funds and activities, in accordance with GASBS No. 34, as amended.
- 34) Components of net position (net investment in capital assets; restricted; and unrestricted) are properly classified and, if applicable, approved.
- 35) Investments, derivative instrument transactions, and land and other real estate held by endowments are properly valued.
- 36) Provisions for uncollectible receivables have been properly identified and recorded.
- 37) Expenses have been appropriately classified in or allocated to functions and programs in the statements of revenues, expenses and changes in net position, and allocations have been made on a reasonable basis.
- 38) Revenues are appropriately classified in the statements of revenues, expenses and changes in net position within program revenues, general revenues, contributions to term or permanent endowments, or contributions to permanent fund principal.
- 39) Interfund, internal, and intra-entity activity and balances have been appropriately classified and reported.
- 40) Deposits and investment securities and derivative instrument transactions are properly classified as to risk and are properly disclosed.
- 41) Capital assets, including infrastructure and intangible assets, are properly capitalized, reported, and, if applicable, depreciated or amortized.
- 42) We have appropriately disclosed the Authority's policy regarding whether to first apply restricted or unrestricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position are available and have determined that net position is properly recognized under the policy.
- 43) We acknowledge our responsibility for the required supplementary information (RSI). The RSI is measured and presented within prescribed guidelines and the methods of measurement and presentation have not changed from those used in the prior period. We have disclosed to you any significant assumptions and interpretations underlying the measurement and presentation of the RSI.
- 44) With respect to the federal awards programs:
 - a) We are responsible for understanding and complying with and have complied with, the requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance),* including requirements relating to preparation of the schedule of expenditures of federal awards.
 - b) We acknowledge our responsibility for preparing and presenting the schedule of expenditures of federal awards (SEFA) and related notes in accordance with the requirements of the Uniform Guidance, and we believe the SEFA, including its form and content, is fairly presented in accordance with the Uniform Guidance. The methods of measurement or presentation of the SEFA have not changed from those used in the prior period and we have disclosed to you any significant assumptions and interpretations underlying the measurement or presentation of the SEFA.

- c) If the SEFA is not presented with the audited financial statements, we will make the audited financial statements readily available to the intended users of the SEFA no later than the date we issue the SEFA and the auditor's report thereon.
- d) We have identified and disclosed to you all of our government programs and related activities subject to the Uniform Guidance compliance audit, and have included in the SEFA, expenditures made during the audit period for all awards provided by federal agencies in the form of federal awards, federal cost-reimbursement contracts, loans, loan guarantees, property (including donated surplus property), cooperative agreements, interest subsidies, insurance, food commodities, direct appropriations, and other direct assistance.
- e) We are responsible for understanding and complying with, and have complied with, the requirements of federal statutes, regulations, and the terms and conditions of federal awards related to each of our federal programs and have identified and disclosed to you the requirements of federal statutes, regulations, and the terms and conditions of federal awards that are considered to have a direct and material effect on each major program.
- f) We are responsible for establishing, designing, implementing, and maintaining, and have established, designed, implemented, and maintained, effective internal control over compliance for federal programs that provides reasonable assurance that we are managing our federal awards in compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a material effect on our federal programs. We believe the internal control system is adequate and is functioning as intended.
- g) We have made available to you all federal awards (including amendments, if any) and any other correspondence with federal agencies or pass-through entities relevant to federal programs and related activities.
- h) We have received no requests from a federal agency to audit one or more specific programs as a major program.
- i) We have complied with the direct and material compliance requirements (except for noncompliance disclosed to you), including when applicable, those set forth in the OMB Compliance Supplement, relating to federal awards and confirm that there were no amounts questioned and no known noncompliance with the direct and material compliance requirements of federal awards.
- j) We have disclosed any communications from federal awarding agencies and pass-through entities concerning possible noncompliance with the direct and material compliance requirements, including communications received from the end of the period covered by the compliance audit to the date of the auditor's report.
- k) We have disclosed to you the findings received and related corrective actions taken for previous audits, attestation engagements, and internal or external monitoring that directly relate to the objectives of the compliance audit, including findings received and corrective actions taken from the end of the period covered by the compliance audit to the date of the auditor's report.
- I) Amounts claimed or used for matching were determined in accordance with relevant guidelines in OMB's Uniform Guidance (2 CFR part 200, subpart E).
- m) We have disclosed to you our interpretation of compliance requirements that may have varying interpretations.
- n) We have made available to you all documentation related to compliance with the direct and material compliance requirements, including information related to federal program financial reports and claims for advances and reimbursements.

- We have disclosed to you the nature of any subsequent events that provide additional evidence about conditions that existed at the end of the reporting period affecting noncompliance during the reporting period.
- p) There are no such known instances of noncompliance with direct and material compliance requirements that occurred subsequent to the period covered by the auditor's report.
- q) No changes have been made in internal control over compliance or other factors that might significantly affect internal control, including any corrective action we have taken regarding significant deficiencies or material weaknesses in internal control over compliance, subsequent to the period covered by the auditor's report.
- r) Federal program financial reports and claims for advances and reimbursements are supported by the books and records from which the financial statements have been prepared.
- s) The copies of federal program financial reports provided you are true copies of the reports submitted, or electronically transmitted, to the respective federal agency or pass-through entity, as applicable.
- t) We have charged costs to federal awards in accordance with applicable cost principles.
- u) We are responsible for and have accurately prepared the summary schedule of prior audit findings to include all findings required to be included by the Uniform Guidance, and we have provided you with all information on the status of the follow-up on prior audit findings by federal awarding agencies and pass-through entities, including all management decisions.
- v) We are responsible for and have ensured the reporting package does not contain protected personally identifiable information.
- w) We are responsible for and have accurately prepared the auditee section of the Data Collection Form as required by the Uniform Guidance.

45) With respect to passenger facility charge program:

- a) We are responsible for understanding and complying with, and have complied with the requirements of Title 14 U.S Code of Federal Regulations (CFR), Part 158, Passenger Facility Charges, issued by the Federal Aviation Administration of the U.S. Department of Transportation Passenger.
- b) We are responsible for establishing and maintaining, and have established and maintained, effective internal control over compliance requirements applicable to the passenger facility charge program. We believe the internal control system is adequate and is functioning as intended.

INDEPENDENT AUDITOR'S REPORT

To the Board of Commissioners Municipal Airport Authority of the City of Fargo, ND Fargo, North Dakota

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the Municipal Airport Authority of the City of Fargo, ND, a component unit of the City of Fargo, North Dakota, as of and for the year ended December 31, 2023, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Municipal Airport Authority of the City of Fargo, ND, as of December 31, 2023, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Municipal Airport Authority of the City of Fargo, ND, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Municipal Airport Authority of the City of Fargo, ND's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Municipal Airport Authority of the City of Fargo, ND's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Municipal Airport Authority of the City of Fargo, ND's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, schedules of the Authority's contributions to pension and OPEB plans, schedules of the Authority's share of net pension and OPEB liabilities, and notes as listed in the table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied

certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Authority's basic financial statements. The accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting statements are determined and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the Board Members listing but does not include the basic financial statements and our auditor's report thereon. Our opinion on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

-4-

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 28, 2024, on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

Porady Martz

BRADY, MARTZ & ASSOCIATES, P.C. GRAND FORKS, NORTH DAKOTA

March 28, 2024

The following discussion and analysis of the financial performance and activity of the Municipal Airport Authority of the City of Fargo, ND (the Authority) is to provide an introduction and understanding of the basic financial statements of the Authority for the year ended December 31, 2023 with selected comparative information for the year ended December 31, 2022. This discussion has been prepared by management and is unaudited; and should be read in conjunction with the financial statements, and the notes thereto, which follow this section.

The Authority was formed April 8, 1969. It operates under the provisions of the North Dakota Century Code, Chapter 2.06. It is governed by a Board of five commissioners, who are appointed by the Mayor of the City of Fargo. The Authority's financial statements include only funds and departments over which the Authority officials exercise oversight responsibility. No other agencies, Boards, commissions, or other organizations have been included in the Authority's financial statements. The Authority is a component unit of the City of Fargo.

The Authority operates an airport system that provides domestic air service for the Midwest region. The organization consists of more than 35 employees in a structure that includes central administration, airport management, operations, and public safety.

In addition to operating the airport, the Authority is responsible for capital improvements at the airport.

The Authority is self-supporting, using aircraft landing fees, parking fees, fees from terminal and other rentals, and revenue from concessions to fund operating expenses. The Authority is taxpayer-funded. The Capital Improvement Program (CIP) is funded by federal and state grants, Passenger Facility Charges (PFCs), and the Authority revenues.

Using the Financial Statements

The Authority's financial report includes three financial statements: the Statements of Net Position, the Statements of Revenues, Expenses and Changes in Net Position and the Statements of Cash Flows. The financial statements are prepared in accordance with accounting principles generally accepted in the United States of America as promulgated by the Governmental Accounting Standards Board (GASB) principles.

Enplanements, Operations, and Cargo Activity for 2023

Delta, United, Allegiant, American, Frontier and their airline partners provide scheduled service to the airport. A total of 516,071 scheduled airline passengers and 4,185 charter passengers embarked from Hector International Airport in 2023. This represents an increase of 60,559 scheduled airline passengers from 2022 (455,512).

A total of 6,046 air cargo aircraft landed at Hector International Airport in 2023. This represents a decrease of 197 landings from 2022 (6,243). Total air cargo aircraft landed weight for 2023 was 406,090,395 pounds. This was a decrease of 3,858,665 pounds from 2022.

In 2023, Hector International Airport surpassed the 1,000,000 total passenger threshold for the first time in history, dating back to 1931 when commercial passenger service began. Total passengers represent the number of people that enplaned and deplaned at Hector International Airport.

Enplanements, Operations, and Cargo Activity for 2022

Delta, United, Allegiant, American, Frontier and their airline partners provide scheduled service to the airport. A total of 455,512 scheduled airline passengers and 5,133 charter passengers embarked from Hector International Airport in 2022. This represents an increase of 56,340 scheduled airline passengers from 2021 (399,172).

A total of 6,046 air cargo aircraft landed at Hector International Airport in 2022. This represents a decrease of 197 from 2021 (6,243). Total air cargo aircraft landed weight for 2022 was 409,949,060 pounds. This was an increase of 10,422,672 pounds from 2021.

Financial Highlights

Approximately half of the operating revenues at the Airport are related to the number of passengers and aircraft operations. Operating revenues are \$27,543,988, which represents an increase of \$10,833,143 from operating revenues in 2022. The significant increase from prior can be primarily attributed to a record year in overall activity at the Airport as well as an increase of over \$14 million in grant revenues, much of which was related to the capital improvement projects ongoing throughout the current year.

CONDENSED STATEMENTS OF NET POSITION As of December 31, 2023 and 2022

	2023	2022
ASSETS		
Current Assets	\$ 61,619,256	6 \$ 49,878,410
Capital Assets	230,611,17	7 208,067,365
Accumulated Depreciation	(91,765,26	1) (86,497,582)
Total Capital Assets	138,845,916	6 121,569,783
Long-Term Assets	5,619,334	6,298,721
TOTAL ASSETS	206,084,506	6 177,746,914
DEFERRED OUTFLOWS OF RESOURCES	2,682,853	3 4,066,031
LIABILITIES		
Current Liabilities	2,691,742	2 1,824,162
Long-Term Liabilities	2,109,55	7 3,514,272
TOTAL LIABILITIES	4,801,299	5,338,434
DEFERRED INFLOWS OF RESOURCES	8,355,72	7 8,696,567
NET POSITION		
Net Investment in Capital Assets	137,931,71	5 121,036,161
Unrestricted	57,678,618	8 46,741,783
TOTAL NET POSITION	<u>\$ 195,610,333</u>	3 <u>\$ 167,777,944</u>

In its fifty-fourth full year of operations, the Authority's financial position remained strong at December 31, 2023, with assets of \$206,084,506, deferred outflows of resources of \$2,682,853, liabilities of \$4,801,299, and deferred inflows of resources of \$8,355,727. The Authority has \$138,845,916 in capital assets (net of depreciation), an increase of \$17,276,133 from 2022. The Authority's capital assets are principally built from the Authority revenue, capital contributions from federal and state grants, and PFC's. Assets, other than capital assets, which are stated at historical cost less an allowance for depreciation, and liabilities, are measured using current value.

Net position, which represents the residual interest in the Authority's assets and deferred outflows of resources after liabilities and deferred inflows of resources are deducted, was \$195,610,333 on December 31, 2023, an increase of \$27,832,389 from 2022. The account "Net Investment in Capital Assets" increased by \$16,895,554 to \$137,931,715.

The unrestricted remaining net position is derived from the Authority operations since the Authority's inception in 1969, as well as grant and PFC collections. The remaining unrestricted net position of \$57,678,618, an increase of \$10,936,835 from 2022, may be used to meet any of the Authority's ongoing operations subject to approval of the Authority's Board.

CONDENSED STATEMENTS OF REVENUES, EXPENSES AND CHANGES IN NET POSITION

	-	2023	_	2022
Operating Revenues	\$	27,543,988	\$	16,710,845
Operating Expenses	_	14,671,902	_	13,147,980
Operating Income		12,872,086	_	3,562,865
Non-Operating Revenues		3,617,068		3,292,948
Income (Loss) Before Capital Contributions	_	16,489,154	_	6,855,813
Capital Contributions	_	11,343,235	_	4,172,817
Change in Net Position		27,832,389		11,028,630
Net Position, Beginning		167,777,944	_	156,749,314
Net Position, End of Year	\$	195,610,333	\$	167,777,944

The net position for the year ended December 31, 2023 increased by \$27,832,389 and increased by \$11,028,630 for the year ended December 31, 2022. The operating revenues and operating expenses are consistent with the budget prepared by management and saw increases of over \$11 million and \$1 million, respectively, from the prior year. The majority of revenues continue to come in the form of rents and fees as well as capital contributions (federal and state grants and passenger facility charges). Excluding the depreciation of our facilities, the main operating expenses are salaries and benefits, supplies, professional services, repairs and maintenance, energy costs, and parking management fees.

CAPITAL ASSETS

The Authority's investment in capital assets amounts to \$138,845,916 (net of accumulated depreciation) at December 31, 2023. This investment includes land, equipment, buildings, infrastructure, and improvements. Additionally, the Authority maintains a capitalization policy of \$10,000. Refer to Note 5 for additional information on capital assets. The table below shows balances as of December 31, 2023 and 2022.

	2023	2022
Land	\$ 8,516,547	\$ 8,516,547
Buildings	34,434,426	33,934,726
Improvements other than buildings	2,676,347	2,676,347
Machinery and equipment	15,542,832	15,399,553
Infrastructure	146,300,212	140,081,488
Construction in process	23,140,813	 7,458,704
Total	230,611,177	208,067,365
Less: accumulated depreciation	 (91,765,261)	 (86,497,582)
Total	\$ 138,845,916	\$ 121,569,783

Cash and Investment Management

As of December 31, 2023 and 2022, all cash funds were held in demand deposit, savings and money market accounts. All cash is secured with FDIC coverage and pledge pools maintained by local financial institutions. The investment maintained by the Authority consists of shares of stock and is uninsured.

Capital Improvement, Financing, and Management

The Authority's Airport Master Plan and Airport Layout Plan (ALP) provide details of expected capital developments for 20 years into the future. The Authority also prepares and provides to the Federal Aviation Administration (FAA) and North Dakota Aeronautics Commission (NDAC) its three-year and ten-year capital improvement plans (CIPs).

The Airport Authority has ten major projects in the development phase that include security upgrades, parking lot upgrades and plaza, terminal expansion and renovation, and lighting replacement project.

Capital improvements are funded through federal and state grants, and local taxes.

The Authority received approximately \$21,858,525 and \$8,506,041 during 2023 and 2022, respectively, in Airport Improvement Program (AIP) entitlement funds, including CARES and ARP Act grants. Larger projects rely on FAA commitments of Airport Improvement Program (AIP) discretionary funds or state funds.

The Authority occasionally finances capital improvements from reserves. It uses passenger facility charge (PFC) revenues to reimburse for eligible capital expenditures which are then used to finance eligible capital improvements.

Note 5 to the financial statements present the analysis of the capital asset transactions.

Contacting the Authority's Financial Management

The financial report is designed to provide the Authority's Board, management, investors, creditors, and customers with a general view of the Authority's finances and to demonstrate the Authority's accountability for the funds it receives and expends. For additional information about this report or for additional financial information, please contact Shawn A. Dobberstein, A.A.E., Executive Director, PO Box 2845, Fargo, ND 58108, or email shawn@fargoairport.com.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The Municipal Airport Authority of the City of Fargo, ND (Authority) was formed April 8, 1969. It operates under the provisions of the North Dakota Century Code, Chapter 2.06. It is governed by a Board of five commissioners, appointed by the Mayor of the City of Fargo. The Authority's financial statements include only funds and departments over which the Authority officials exercise oversight responsibility. No other agencies, Boards, commissions, or other organizations have been included in the Authority's financial statements. The Authority is a component unit of the City of Fargo.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis. The Authority reports as a Business Type Activity, as defined by the Governmental Accounting Standards Board (GASB). Business Type Activities are those that are financed in whole or in part by fees charged to external parties for goods or services.

The Authority's activities are accounted for similar to those often found in the private sector using the flow of economic resources measurement focus and the accrual basis of accounting. All assets, liabilities, net position, revenues, and expenses are accounted for through a single enterprise fund with revenues recorded when earned and expenses recorded at the time liabilities are incurred. Current assets include cash and amounts convertible to cash during the next normal operating cycle or one year. Current liabilities include those obligations to be liquidated with current assets.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. Revenues from airlines, concessions, building and hangar rent, and parking are reported as operating revenues. Capital, grants, and financing or investing related transactions are reported as non-operating revenues. All expenses related to operating the Authority are reported as operating expenses. Interest expense and financing costs are reported as non-operating.

Budgeting Requirements

The Authority's annual budgeting process is a financial planning tool used to establish the estimated revenues and expenditures. The annual budget is developed after reviewing revenue forecasts, the impact of funding increases on landing fees, rental rates, and other rates and charges, prior year actual, our current program levels, new operating requirements, and the overall economic climate of the region and airline industry. The budget to actual results are reviewed periodically throughout the year to ensure compliance with the provisions of the Authority's entity-wide annual budget, which is approved by the Board.

Cash and Cash Equivalents

For purposes of reporting cash flows, cash and cash equivalents include cash on hand, demand deposits, and commercial paper. Cash equivalents also include United States Government and agency obligations, mutual funds, and repurchase agreements collateralized by United States Government or agency obligations with an original maturity of three months or less, including restricted assets.

Investments

Investments are reported at fair value. Securities traded on the national or international exchange are valued at the last reported sales price at current exchange rates.

When fair value measurements are required, various data is used in determining those values. This statement requires that assets and liabilities that are carried at fair value must be classified and disclosed in the following levels based on the nature of the data used.

- Level 1: Quoted market prices in active markets for identical assets or liabilities.
- Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.
- Level 3: Unobservable inputs that are not corroborated by market data.

Accounts Receivable

Trade receivables are carried at the original invoice amount less an estimate made for doubtful receivables based on a review of all outstanding amounts on a monthly basis. Management determines the allowance for doubtful accounts by identifying troubled accounts and by using historical experience applied to an aging of accounts. Trade receivables are written off when deemed uncollectible. Recoveries of trade receivables previously written off are recorded when received. There is no allowance for doubtful accounts for the year ended December 31, 2023.

A trade receivable is considered to be past due if any portion of the receivable balance is outstanding for more than 30 days.

Capital Assets

Capital assets comprise of equipment, improvements, infrastructure and buildings and are recorded at cost. All expenditures of equipment over \$10,000 are capitalized. If actual costs cannot be determined, estimated historical cost is used. Donated capital assets are recorded at acquisition cost on the date donated. Major improvements and replacements of property are capitalized. Maintenance, repairs, and minor improvements and replacements are expensed.

Provision for depreciation has been calculated using the straight-line method over the estimated useful lives of the assets as follows:

Equipment	5-15 Years
Improvements	10-20 Years
Infrastructure	20-50 Years
Buildings	10-40 Years

Leases

The Authority is a lessor for multiple non-cancellable leases. The Authority recognizes a lease receivable and a deferred inflow of resources in the financial statements.

At the commencement of a lease, the Authority initially measures the lease receivable at the present value of payments expected to be received during the lease term.

Subsequently, the lease receivable is reduced by the principal portion of lease payments received. The deferred inflow of resources is initially measured as the initial amount of the lease receivable, adjusted for lease payments received at or before the lease commencement date. Subsequently, the deferred inflow of resources is recognized as revenue over the life of the lease term.

Key estimates and judgments include how the Authority determines (1) the discount rate it uses to discount the expected lease receipts to present value, (2) lease term, and (3) lease receipts.

- The Authority uses its estimated incremental borrowing rate as the discount rate for leases. The Authority has made an accounting policy election to use a risk-free rate based on US Treasury T-bill rate as of the lease commencement.
- The lease term includes the non-cancellable period of the lease. Lease receipts included in the measurement of the lease receivable is composed of fixed payments from the lessee.

The Authority monitors changes in circumstances that would require a remeasurement of its lease and will remeasure the lease receivable and deferred inflows of resources if certain changes occur that are expected to significantly affect the amount of the lease receivable.

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will *not* be recognized as an outflow of resource (expense/expenditure) until then. The Authority's pension and OPEB outflows qualify for reporting in this category.

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will *not* be recognized as an inflow of resources (revenue) until that time. The Authority's pension, OPEB, and lease inflows qualify for reporting in this category.

Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the North Dakota Public Employees Retirement System (NDPERS) and additions to/deductions from NDPERS' fiduciary net position have been determined on the same basis as they are reported by NDPERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Other Post-Employment Benefits (OPEB)

For purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, information about the fiduciary net position of the North Dakota Public Employees Retirement System (NDPERS) and additions to/deductions from NDPERS' fiduciary net position have been determined on the same basis as they are reported by NDPERS. For this purpose, benefit payments are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Compensated Absences

Employees accrue PTO and sick leave (compensated absences). All regular full-time employees having continuous service, as indicated below, shall accumulate PTO as follows:

		Maximum Hours
	Accrual	Accrued per
Length of Service	Rate	Pay Period
Up to 3 years	0.0462	3.696
Over 3 but less than 8	0.0577	4.616
Over 8 but less than 13	0.0692	5.536
Over 13 but less than 19	0.0808	6.464
Over 19	0.0923	7.384

Aircraft Rescue and Firefighter (ARFF) employees accumulate PTO as follows:

Length of Service	Accrual Rate	Maximum Hours Accrued per Year
Up to 3 years	0.0907	264
Over 3 but less than 8	0.103	300
Over 8 but less than 13	0.1154	336
Over 13 but less than 19	0.1277	372
Over 19	0.1401	408

Employees shall be paid for compensated absences at the time of termination.

Net Position

GASB Statement No. 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position,* provides guidance for reporting deferred outflows of resources, deferred inflows of resources, and net position in accordance with Concepts Statement No. 4, *Elements of Financial Statements.*

Net position represents the difference between (a) assets and deferred outflows of resources and (b) liabilities and deferred inflows of resources in the Authority's financial statements. Net investment in capital assets, consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any long-term debt attributable to the acquisition, construction, or improvement of those assets. Restricted Net Position consists of restricted assets reduced by liabilities and deferred inflows of resources related to those assets. Unrestricted Net Position is the net amount of assets, deferred outflows of resources, liabilities, and deferred inflows of resources that are not included in the determination of net investment in capital assets or the restricted component of net position.

When both restricted and unrestricted resources are available for use, it is the Authority's policy to use restricted resources first, then unrestricted resources as they are needed.

Revenue Recognition

Rentals and concession fees are generated from airlines, parking lots, food, rental cars, fixed base operators, and other commercial tenants. Rental revenue is recognized over the life of the respective leases, and concession revenue is recognized based on reported concession revenue. Rental revenue and concession revenue are recognized as operating revenues on the Statements of Revenues, Expenses and Changes in Net Position.

Landing fees are principally generated from scheduled airlines and non-scheduled commercial aviation and are based on the landed weight of the aircraft. The scheduled airline fee structure is determined annually pursuant to an agreement between the Authority and the Airline. Landing fees are recognized as part of operating revenues when the airline related facilities are utilized.

Capital Contributions – Passenger Facility Charges (PFC's)

In 1990, Congress approved the Aviation Safety and Capacity Expansion Act that authorized domestic airports to impose a Passenger Facility Charge (PFC) on enplaning passengers. In May 1991, the FAA issued the regulations for the use and reporting of PFC's. PFC's may be used for airport projects that meet at least one of the following criteria: preserve or enhance safety, security, or capacity of the national air transportation system; reduce noise or mitigate noise impacts resulting from an airport; or furnish opportunities for enhanced competition between or among carriers.

The Authority is granted permission to collect a \$4.50 PFC. The charges, less an administrative fee charged by the Airlines for processing, are collected by the Airlines and remitted on a monthly basis to the Authority. Due to their restricted use, PFC's are categorized as non-operating revenues and are accounted for on the cash basis.

Capital Contributions – Federal and State Grants

The Authority receives federal and state grants in support of its Capital Construction Program. The federal program provides funding for airport development, airport planning and noise compatibility programs. The State of North Dakota also provides discretionary funds for capital programs.

Grants for capital asset acquisition, facility development, rehabilitation of facilities and long-term planning are reported in the Statements of Revenues, Expenses and Changes in Net Position, after non-operating revenues and expense as capital contributions.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at year-end and revenues and expenses during the year then ended. The actual outcome of the estimates could differ from the estimates made in the preparation of the financial statements.

NOTE 2 DEPOSITS

In accordance with North Dakota statutes, the Authority maintains deposits at those depository banks and savings and loans authorized by the Board of Commissioners. Those depository banks and savings and loans are all members of the Federal Reserve System.

Statutes require that all deposits be protected by insurance, surety bond, or collateral. The market value of the collateral pledged must equal 110 percent of the deposits not covered by insurance or bonds.

North Dakota statutes authorize municipalities to invest their surplus funds in bonds, treasury bills and notes or other securities which are a direct obligation of the United States or an instrumentality thereof.

At December 31, 2023, the carrying amount of the Authority's deposits were \$36,724,867 and the bank balances were \$35,518,594, which is covered by depository insurance or collateral held in safekeeping in the Authority's name.

NOTE 3 INVESTMENTS

Interest Rate Risk

The Authority does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk

The North Dakota State Statute limits political subdivisions to invest their surplus funds in:

- Bonds, treasury bill and notes, or other securities that are a direct obligation of, or an obligation insured or guaranteed by, the treasury of the United States, or its agencies, instrumentalities or organizations created by an act of Congress,
- 2) Securities sold under agreements to repurchase written by a financial institution in which the underlying securities for the agreement to repurchase are of a type listed above,
- Certificates of deposit fully insured by the Federal Deposit Insurance Corporation or by the state,
- 4) Obligations of the state.

The Authority maintains an investment account at PFM Asset Management Financial Group. Investments held by the Authority at December 31, 2023 broken down by maturity and fair value are as follows:

						Fair Value Measurements Using					L						
		Total	Le	ess Than One Year					Significant Other Observable Inputs (Level 2)		Significant Unobservable Inputs (Level 3)		Moody's Rating

	_				_						_						

NOTE 4 PROPERTY TAXES

Property tax revenues are recognized in the year for which they are levied. Property tax levies are set in September each year and are certified to Cass County for collection in the following year. In North Dakota, counties act as collection agents for all property tax.

The County spreads all levies over taxable property. Property taxes are attached as an enforceable lien on the real estate and become due on January 1 of the year following the assessment date.

A five percent reduction on the taxes is allowed if the taxes are paid in full by February 15. Penalty and interest are added on March 1 if the first half of the taxes are not paid. Additional penalty and interest are added October 15 to those taxes, which are not paid.

NOTE 5 CAPITAL ASSETS

Changes in property, plant and equipment by major classification are as follows:

		ginning Balance nuary 01, 2023	Additions		Deletions	_	Transfers		nding Balance cember 31, 2023

NOTE 6 LEASES

Substantially all airport facilities are leased or charged to users under various agreements. Certain facilities are leased under lease agreements, which provide for compensatory rental rates designed to cover costs incurred. All leases have cancellation clauses that provide either a 30 or 60-day notice of cancellation.

Following is the total lease-related revenue for the year ended December 31, 2023.

Lease-related Revenue	Year Ending December 31, 2023					
Lease Revenue

Following is a schedule by years of future minimum rental receipts required under the lease:

NOTE 7 COMPENSATED ABSENCES

Changes in long-term debt during the year ended December 31, 2023 was as follows:

	 Balance lary 1, 2023	_	Issued	_	Retired	Balance mber 31, 2023	-	ue Within One Year
Compensated Absences	\$ 171,798	\$	169,251	\$	(135,231)	\$ 205,818	\$	205,818
Total	\$ 171,798	\$	169,251	\$	(135,231)	\$ 205,818	\$	205,818

NOTE 8 COMMITMENTS

The Authority has outstanding contract project commitments as of December 31, 2023. The commitments were as follows:

NGA Expansion & Perimeter Road	\$ 2,471,919
Terminal Renovation and Expansion	1,140,112
	\$ 3,612,031

NOTE 9 DEFINED BENEFIT PENSION PLANS - STATEWIDE

Substantially, all employees of the Authority are required by state law to belong to pension plans administered by the North Dakota Public Employees Retirement System (NDPERS), which is administered on a statewide basis. Disclosures relating to this plan follow:

North Dakota Public Employees' Retirement System (Main System)

The following brief description of NDPERS is provided for general information purposes only. Participants should refer to NDCC Chapter 54-52 for more complete information.

NDPERS is a cost-sharing multiple-employer defined benefit pension plan that covers substantially all employees of the State of North Dakota, its agencies and various participating political subdivisions. NDPERS provides for pension, death and disability benefits. The cost to administer the plan is financed through the contributions and investment earnings of the plan.

Responsibility for administration of the NDPERS defined benefit pension plan is assigned to a Board comprised of eleven members. The Governor is responsible for appointing three other members in addition to the Chairman of the Board. Four members are appointed by legislative

management, and the remaining three Board members are elected from active employees currently contributing to PERS.

Pension Benefits

Benefits are set by statute. NDPERS has no provisions or policies with respect to automatic and ad hoc post-retirement benefit increases. Members of the Main System are entitled to unreduced monthly pension benefits beginning when the sum of age and years of credited service equal or exceed 85 (Rule of 85), or at normal retirement age (65). For members hired on or after January 1, 2016, the Rule of 85 was replaced with the Rule of 90 with a minimum age of 60. The monthly pension benefit is equal to 2.00% of their average monthly salary, using the highest 36 months out of the last 180 months of service, for each year of service. For members hired on or after January 1, 2020, the 2.00% multiplier was replaced with a 1.75% multiplier. The plan permits early retirement at ages 55-64 with three or more years of service. The Main Plan will be closed to new employees with the passage of North Dakota House Bill 1040. The closure of the plan will be effective on January 1, 2025.

Members may elect to receive the pension benefits in the form of a single life, joint and survivor, term-certain annuity, or partial lump sum with ongoing annuity. Members may elect to receive the value of their accumulated contributions, plus interest, as a lump sum distribution upon retirement or termination, or they may elect to receive their benefits in the form of an annuity. For each member electing an annuity, total payment will not be less than the members' accumulated contributions plus interest.

Death and Disability Benefits

Death and disability benefits are set by statute. If an active member dies with less than three years of service for the Main System, a death benefit equal to the value of the member's accumulated contributions, plus interest, is paid to the member's beneficiary. If the member has earned more than three years of credited service for the Main System, the surviving spouse will be entitled to a single payment refund, life-time monthly payments in an amount equal to 50% of the member's accrued normal retirement benefit, or monthly payments in an amount equal to the member's accrued 100% Joint and Survivor retirement benefit if the member had reached normal retirement age prior to date of death. If the surviving spouse dies before the member's accumulated pension benefits are paid, the balance will be payable to the surviving spouse's designated beneficiary.

Eligible members who become totally disabled after a minimum of 180 days of service, receive monthly disability benefits equal to 25% of their final average salary with a minimum benefit of \$100. To qualify under this section, the member has to become disabled during the period of eligible employment and apply for benefits within one year of termination. The definition for disabled is set by the NDPERS in the North Dakota Administrative Code.

Refunds of Member Account Balance

Upon termination, if a member is not vested (is not 65 for the Main System or 55 for the Law Enforcement system or does not have three years of service), they will receive the accumulated member contributions and vested employer contributions, plus interest, or may elect to receive this amount at a later date. If the member has vested, they have the option of applying for a refund or can remain as a terminated vested participant. If a member terminated and withdrew their accumulated member contribution and is subsequently reemployed, they have the option of repurchasing their previous service.

Member and Employer Contributions

Member and employer contributions paid to NDPERS are set by statute and are established as a percent of salaries and wages. Member contribution rates are 7% and employer contribution rates are 7.12% of covered compensation. For members hired on or after January 1, 2020, member contribution rates are 7% and employer contribution rates are 8.26% of covered compensation.

The member's account balance includes the vested employer contributions equal to the member's contributions to an eligible deferred compensation plan. The minimum member contribution is \$25 and the maximum may not exceed the following:

1 to 12 months of service – Greater of one percent of monthly salary or \$25 13 to 24 months of service – Greater of two percent of monthly salary or \$25 25 to 36 months of service – Greater of three percent of monthly salary or \$25 Longer than 36 months of service – Greater of four percent of monthly salary or \$25

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At December 31, 2023, the Employer reported a liability of \$1,930,123 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2023, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The Employer's proportion of the net pension liability was based on the Employer's share of covered payroll in the Main System pension plan relative to the covered payroll of all participating Main System employers. At June 30, 2023, the Employer's proportion was 0.100097 percent, which was a decrease of .003198 percent from its proportion measured as of June 30, 2022.

For the year ended December 31, 2023, the Employer recognized pension expense of \$553,736. At December 31, 2023, the Employer reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

		red Outflows of Resources	rred Inflows of Resources
Differences between expected and actual experience	\$	62,832	\$ (10,645)
Changes in actuarial assumptions		1,064,292	(1,465,012)
Net difference between projected and actual earnings on			
pension plan investments		50,643	-
Changes in proportion and differences between employer			
contributions and proportionate share of contributions		1,055,612	(48,874)
Employer contributions subsequent to the measurement date	-	50,495	 -
Total	\$	2,283,874	\$ (1,524,531)

\$50,495 reported as deferred outflows of resources related to pensions resulting from Authority contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ending December 31, 2024.

Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year ending December 31	Pension	Expense Amount
2024	\$	400,236
2025		172,023
2026		254,531
2027		(117,942)

Actuarial Assumptions

The total pension liability in the July 1, 2023 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.25%
Salary increases	3.5% to 17.75% including inflation
Investment rate of return	6.50%, net of investment expenses
Cost-of-living adjustments	None

For active members, inactive members and healthy retirees, mortality rates were based on the Sex-distinct Pub-2010 table for General Employees, with scaling based on actual experience. Respective corresponding tables were used for healthy retirees, disabled retirees, and active members. Mortality rates are projected from 2010 using the MP-2019 scale.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the Fund's target asset allocation are summarized in the following table:

		Long-Term Expected
Asset Class	Target Allocation	Real Rate of Return
Domestic Equity	31%	6.25%
International Equity	20%	6.95%
Private Equity	7%	9.45%
Domestic Fixed Income	23%	2.51%
Global Real Assets	19%	4.33%

Discount Rate

For PERS, GASB Statement No. 67 includes a specific requirement for the discount rate that is used for the purpose of the measurement of the Total Pension Liability. This rate considers the ability of the System to meet benefit obligations in the future. To make this determination, employer contributions, employee contributions, benefit payments, expenses and investment returns are projected into the future. The current employer and employee fixed rate contributions are assumed to be made in each future year. The Plan Net Position (assets) in future years can then be determined and compared to its obligation to make benefit payments in those years. In years where assets are not projected to be sufficient to meet benefit payments, which is the case for the PERS plan, the use of a municipal bond rate is required.

The Single Discount Rate (SDR) is equivalent to applying these two rates to the benefits that are projected to be paid during the different time periods. The SDR reflects (1) the long-term expected rate of return on pension plan investments (during the period in which the fiduciary net position is projected to be sufficient to pay benefits) and (2) a tax-exempt municipal bond rate based on an index of 20-year general obligation bonds with an average AA credit rating as of the measurement date (to the extent that the contributions for use with the long-term expected rate of return are not met).

For the purpose of this valuation, the expected rate of return on pension plan investments is 6.50%; the municipal bond rate is 3.86%; and the resulting Single Discount Rate is 6.50%.

Sensitivity of the Authority's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the Authority's proportionate share of the net pension liability calculated using the discount rate of 6.50 percent, as well as what the Employer's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (5.50 percent) or 1-percentage-point higher (7.50 percent) than the current rate:

	 1% Decrease 5.50%	Curr	ent Discount Rate 6.50%	_	1% Increase 7.50%
Employer's proportionate share of the net pension liability	\$ 2,661,176	\$	1,930,123	\$	1,323,658

Pension Plan Fiduciary Net Position

Detailed information about the pension plan's fiduciary net position is available in the separately issued NDPERS financial report.

North Dakota Public Employees' Retirement System (Law Enforcement System)

The following brief description of the Law Enforcement System is provided for general information purposes only. Participants should refer to NDCC Chapter 54-52 for more complete information.

The Law Enforcement System is a cost-sharing multiple-employer defined benefit pension plan that covers peace officers and correctional officers employed by participating political subdivisions. Effective August 1, 2015, the plan will include National Guard Security Officers and Firefighters. The Law Enforcement System provides for pension, death and disability benefits. The cost to administer the plan is financed through the contributions and investment earnings of the plan.

Responsibility for administration of the NDPERS defined benefit pension plan is assigned to a Board comprised of eleven members. The Governor is responsible for appointing three other members in addition to the Chairman of the Board. Four members are appointed by legislative management, and the remaining three Board members are elected from active employees currently contributing to PERS.

Pension Benefits

Benefits are set by statute. The Law Enforcement System has no provision or policies with respect to automatic and ad hoc post-retirement benefit increases. Members of the Law Enforcement System are entitled to unreduced monthly pension benefits beginning when the sum of age and years of credited service equal or exceed 85 (Rule of 85), or at normal retirement age (55) with three or more years of service. The monthly pension benefit is equal to 2.00% of their average monthly salary, using the highest 36 months out of the last 180 months of service, for each year of service. The plan permits early retirement at ages 50-55 with three or more years of service.

Members may elect to receive the pension benefits in the form of a single life, joint and survivor, term-certain annuity, or partial lump sum with ongoing annuity. Members may elect to receive the value of their accumulated contributions, plus interest, as a lump sum distribution upon retirement or termination, or they may elect to receive their benefits in the form of an annuity. For each member electing an annuity, total payment will not be less than the members' accumulated contributions plus interest.

Death and Disability Benefits

Death and disability benefits are set by statute. If an active member dies with less than three years of service in the Law Enforcement System, a death benefit equal to the value of the member's accumulated contributions, plus interest, is paid to the member's beneficiary. If the member has earned more than three years of credited service for the Law Enforcement System, the surviving spouse will be entitled to a single payment refund, life-time monthly payments in an amount equal to 50% of the member's accrued normal retirement benefit, or monthly payments in an amount equal to the member's accrued 100% Joint and Survivor retirement benefit if the member had reached normal retirement age prior to date of death. If the surviving spouse dies before the member's accumulated pension benefits are paid, the balance will be payable to the surviving spouse's designated beneficiary.

Eligible members who become totally disabled after a minimum of 180 days of service, receive monthly disability benefits equal to 25% of their final average salary with a minimum benefit of \$100. To qualify under this section, the member has to become disabled during the period of eligible employment and apply for benefits within one year of termination. The definition of disabled is set by the NDPERS in the North Dakota Administrative Code.

Refunds of Member Account Balance

Upon termination, if a member of the Law Enforcement System is not vested (is not 55 or does not have three years of service), they will receive the accumulated member contributions and vested employer contributions, plus interest, or may elect to receive this amount at a later date. If the member has vested, they have the option of applying for a refund or can remain as a terminated vested participant. If a member terminated and withdrew their accumulated member contribution and is subsequently reemployed, they have the option of repurchasing their previous service.

Member and Employer Contributions

Member and employer contributions paid to NDPERS are established as a percent of covered compensation. Member contribution rates are set by statute and employer contribution rates are set by the Board. Contribution rates for the Law Enforcement System are established as follows:

Plan	Member Contribution Rate	Employer Contribution Rate
Law Enforcement with previous service		
Political Subdivisions	5.50%	9.81%
State	6.00%	9.81%
National Guard	5.50%	9.81%
Law Enforcement without previous service	5.50%	7.93%

The member's account balance includes the vested employer contributions equal to the member's contributions to an eligible deferred compensation plan. The minimum member contribution is \$25 and the maximum may not exceed the following:

1 to 12 months of service – Greater of one percent of monthly salary or \$25 13 to 24 months of service – Greater of two percent of monthly salary or \$25 25 to 36 months of service – Greater of three percent of monthly salary or \$25 Longer than 36 months of service – Greater of four percent of monthly salary or \$25

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At December 31, 2023, the Employer reported a liability of \$69,321 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2023, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The Employer's proportion of the net pension liability was based on the Employer's share of covered payroll/contributions in the Law Enforcement System pension plan relative to the covered payroll/contributions of all participating Law Enforcement System employers. At June 30, 2023, the Employer's proportion was 3.718988 percent, which was a decrease of 1.216805 from its proportion measured as of June 30, 2022.

For the year ended December 31, 2023, the Employer recognized pension expense of \$81,612. At December 31, 2023, the Employer reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	 ed Outflows of esources	 red Inflows of esources
Differences between expected and actual experience	\$ 29,085	\$ (9,944)
Changes of assumptions	225,986	(293,603)
Net difference between projected and actual earnings on		
pension plan investments	16,996	-
Changes in proportion and differences between employer		
contributions and proportionate share of contributions	19,897	(6,081)
Employer contributions subsequent to the measurement date		
	26,916	 -
Total	\$ 318,880	\$ (309,628)

\$26,916 reported as deferred outflows of resources related to pensions resulting from Authority contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ending December 31, 2024.

Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year ended December 31	Pension E	Expense Amount
2024	\$	4,782
2025		(11,526)
2026		(335)
2027		(6,584)
2028		(4,001)

Actuarial Assumptions

The total pension liability in the July 1, 2023 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.25%
Salary increases	3.5% to 17.75% including inflation
Investment rate of return	6.50%, net of investment expenses
Cost-of-living adjustments	None

For active members, inactive members and healthy retirees, mortality rates were based on the Sex-distinct Pub-2010 table for General Employees, with scaling based on actual experience. Respective corresponding tables were used for healthy retirees, disabled retirees, and active members. Mortality rates are projected from 2010 using the MP-2019 scale.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the Fund's target asset allocation are summarized in the following table:

		Long-Term Expected
Asset Class	Target Allocation	Real Rate of Return
Domestic Equity	31%	6.25%
International Equity	20%	6.95%
Private Equity	7%	9.45%
Domestic Fixed Income	23%	2.51%
Global Real Assets	19%	4.33%

Discount Rate

For PERS, GASB Statement No. 67 includes a specific requirement for the discount rate that is used for the purpose of the measurement of the Total Pension Liability. This rate considers the ability of the System to meet benefit obligations in the future. To make this determination, employer contributions, employee contributions, benefit payments, expenses and investment returns are projected into the future. The current employer and employee fixed rate contributions are assumed to be made in each future year. The Plan Net Position (assets) in future years can then be determined and compared to its obligation to make benefit payments in those years. In years where assets are not projected to be sufficient to meet benefit payments, which is the case for the PERS plan, the use of a municipal bond rate is required.

The Single Discount Rate (SDR) is equivalent to applying these two rates to the benefits that are projected to be paid during the different time periods. The SDR reflects (1) the long-term expected rate of return on pension plan investments (during the period in which the fiduciary net position is projected to be sufficient to pay benefits) and (2) a tax-exempt municipal bond rate based on an index of 20-year general obligation bonds with an average AA credit rating as of the measurement date (to the extent that the contributions for use with the long-term expected rate of return are not met).

For the purpose of this valuation, the expected rate of return on pension plan investments is 6.50%; the municipal bond rate is 3.86%; and the resulting Single Discount Rate is 6.50%.

Sensitivity of the Authority's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the Authority's proportionate share of the net pension liability calculated using the discount rate of 6.50 percent, as well as what the Employer's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (5.50 percent) or 1-percentage-point higher (7.50 percent) than the current rate:

	_	1% Decrease 5.50%	Cur	rent Discount Rate 6.50%	_	1% Increase 7.50%
Employer's proportionate share of the net pension liability	\$	216,243	\$	69,321	\$	(47,084)

Pension Plan Fiduciary Net Position

Detailed information about the pension plan's fiduciary net position is available in the separately issued NDPERS financial report.

NOTE 10 OTHER POSTEMPLOYMENT BENEFITS

The following brief description of NDPERS is provided for general information purposes only. Participants should refer to NDAC Chapter 71-06 for more complete information.

NDPERS OPEB plan is a cost-sharing multiple-employer defined benefit OPEB plan that covers members receiving retirement benefits from the PERS, the HPRS, and Judges retired under Chapter 27-17 of the North Dakota Century Code a credit toward their monthly health insurance premium under the state health plan based upon the member's years of credited service. Effective July 1, 2015, the credit is also available to apply towards monthly premiums under the state dental, vision and long-term care plan and any other health insurance plan. Effective August 1, 2019 the benefit may be used for any eligible health, prescription drug plan, dental, vision, or long term care plan premium expense. The Retiree Health Insurance Credit Fund is advance-funded on an actuarially determined basis.

Responsibility for administration of the NDPERS defined benefit OPEB plan is assigned to a Board comprised of nine members. The Board consists of a Chairman, who is appointed by the Governor; one member appointed by the Attorney General; one member appointed by the State Health Officer; three members elected by the active membership of the NDPERS system, one member elected by the retired public employees and two members of the legislative assembly appointed by the chairman of the legislative management.

OPEB Benefits

The employer contribution for the PERS, the HPRS and the Defined Contribution Plan is set by statute at 1.14% of covered compensation. Employees participating in the retirement plan as part-time/temporary members are required to contribute 1.14% of their covered compensation to the Retiree Health Insurance Credit Fund. Employees purchasing previous service credit are also required to make an employee contribution to the Fund. The benefit amount applied each year is shown as *"prefunded credit applied"* on the Statement of Changes in Plan Net Position for the OPEB trust funds. Beginning January 1, 2020, members first enrolled in the NDPERS Main System and the Defined Contribution Plan on or after that date will not be eligible to participate in RHIC. Therefore, RHIC will become for the most part a closed plan. There were no other benefit changes during the year.

Retiree health insurance credit benefits and death and disability benefits are set by statute. There are no provisions or policies with respect to automatic and ad hoc post-retirement benefit increases. Employees who are receiving monthly retirement benefits from the PERS, the HPRS, the Defined Contribution Plan, the Chapter 27-17 judges or an employee receiving disability benefits, or the spouse of a deceased annuitant receiving a surviving spouse benefit or if the member selected a joint and survivor option are eligible to receive a credit toward their monthly health insurance premium under the state health plan.

Effective July 1, 2015, the credit is also available to apply towards monthly premiums under the state dental, vision and long-term care plan and any other health insurance plan. Effective August 1, 2019, the benefit may be used for any eligible health, prescription drug plan, dental, vision, or long term care plan premium expense. The benefits are equal to \$5.00 for each of the employee's, or deceased employee's years of credited service not to exceed the premium in effect for selected coverage. The retiree health insurance credit is also available for early retirement with reduced benefits.

OPEB Liabilities, OPEB Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

At December 31, 2023, the Employer reported a liability of \$110,113 for its proportionate share of the net OPEB liability. The net OPEB liability was measured as of June 30, 2023, and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation as of that date. The Employer's proportion of the net OPEB liability was based on the Employer's share of covered payroll in the OPEB plan relative to the covered payroll of all participating OPEB employers. At June 30, 2023, the Employer's proportion was 0.110140 percent, which was a decrease of .008012 from its proportion measured as of June 30, 2022.

For the year ended December 31, 2023, the Authority recognized OPEB expense of \$33,965. At December 31, 2023, the Authority reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	 d Outflows of sources	 ed Inflows of sources
Differences between expected and actual experience	\$ 2,072	\$ (1,260)
Changes of assumptions	23,484	(9,119)
Net difference between projected and actual earnings on		
OPEB plan investments	7,953	
Changes in proportion and differences between employer	.,	
contributions and proportionate share of contributions Employer contributions subsequent to the measurement	39,449	(3,284)
date	 7,141	 <u> </u>
Total	\$ 80,099	\$ (13,663)

\$7,141 reported as deferred outflows of resources related to OPEB resulting from Authority contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ending December 31, 2024.

Other amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEBs will be recognized in OPEB expense as follows:

Year ending December 31	OPEB Expense Am		
2024	\$	21,303	
2025		19,625	
2026		21,817	
2027		(3,450)	

Actuarial Assumptions

The total OPEB liability in the July 1, 2023 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation 2.25%

Salary increases Not applicable

Investment rate of return 5.75%, net of investment expenses

Cost-of-living adjustments None

For active members, inactive members and healthy retirees, mortality rates were based on the MortalityPub-2010 Healthy Retiree Mortality table (for General Employees), sex-distinct, with rates multiplied by 103% for males and 101% for females. Pub-2010 Disabled Retiree Mortality table (for General Employees), sex-distinct, with rates multiplied by 117% for males and 112% for females. Pub-2010 Employee Mortality table (for General Employees), sex-distinct, with rates multiplied by 92% for both males and females. Mortality rates are projected from 2010 using the MP-2019 scale.

The long-term expected investment rate of return assumption for the RHIC fund was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of RHIC investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Estimates of arithmetic real rates of return, for each major asset class included in the RHIC's target asset allocation as of July 1, 2023 are summarized in the following table:

		Long-Term Expected
Asset Class	Target Allocation	Real Rate of Return
S&P 500 Index	33%	5.50%
US Small Cap Equity	6%	7.65%
World Equity ex-US	26%	6.82%
US High Yield	3%	5.32%
Emerging Markets Debt	4%	6.25%
Core Fixed Income	28%	4.04%

Discount Rate

The discount rate used to measure the total OPEB liability was 5.75%. The projection of cash flows used to determine the discount rate assumed plan member and statutory rates described in this report. For this purpose, only employer contributions that are intended to fund benefits of current RHIC members and their beneficiaries are included. Projected employer contributions that are intended to fund the service costs of future plan members and their beneficiaries are not included. Based on those assumptions, the RHIC fiduciary net position was projected to be sufficient to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on RHIC investments was applied to all periods of projected benefit payments to determine the total OPEB liability.

Sensitivity of the Employer's Proportionate Share of the Net OPEB Liability to Changes in the Discount Rate

The following presents the net OPEB liability of the Plans as of June 30, 2023, calculated using the discount rate of 5.75%, as well as what the RHIC net OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower (4.75 percent) or 1-percentage-point higher (6.75 percent) than the current rate:

	 1% Decrease 4.75%	Curr	ent Discount Rate 5.75%	1% Increase 6.75%
Employer's proportionate share of the net OPEB liability	\$ 144,715	\$	110,113	\$ 80,982

NOTE 11 CONCENTRATIONS

The Authority operates in a regional market consisting primarily of Eastern North Dakota and Western Minnesota. The accounting loss if customers fail to perform is \$1,663,952 for 2023, which is the balance of accounts receivable, respectively.

The Authority's operating revenues, excluding operating grants, include the following vendors, along with their percentage of the operating revenues:

Avis/Budget Rental	3.71%
Delta Airlines	3.11%
Enterprise Rental	3.87%
Fargo Jet Center	5.65%
National Rental	3.65%
Overland West, Inc.	4.29%
SP Plus	52.70%

NOTE 12 RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters.

The Authority participates in the North Dakota Insurance Reserve Fund (NDIRF) entity risk pool established by certain municipalities ("members") to provide liability coverage. The Authority's payments to the NDIRF are displayed on the financial statements as expenditures in the appropriate fund. The purpose of the NDIRF is to act as a joint self-insurance pool for the purpose of seeking the prevention or lessening of liability claims for injuries to persons or property claims for errors and omissions made against the members and other parties included within the scope of the coverage of the NDIRF. The Authority does not exercise any control over the activities of the NDIRF.

The Authority's risk for property coverage is covered by premiums paid to the North Dakota State Fire and Tornado Fund. The Fund was established by the State of North Dakota to insure political subdivisions and certain other entities against loss to public buildings and permanent contents from damage caused by fire, tornadoes and other types of risk. Settled claims from these risks have not exceeded commercial coverage for the past three years.

The Authority's risk for workers' compensation is covered by premiums paid to the North Dakota Worker's Compensation Bureau. The Bureau was created by the Legislature of the State of North Dakota.

NOTE 13 PASSENGER FACILITY CHARGES

As described in Note 1, Passenger Facility Charges are collected in accordance with the FAA regulations allowing airports to impose a \$4.50 PFC. For the year ended December 31, 2023, the Authority earned PFC's of \$2,136,095.

NOTE 14 GRANT PROGRAMS

The Authority participates in numerous federal grant programs, which are governed by various rules and regulations of the grantor agencies. Costs charged to the respective grant programs are subject to audit and adjustment by the grantor agencies; therefore, to the extent that the Authority has not complied with the rules and regulations governing the grants, refunds of any money received may be required and the collectability of any related receivable at December 31, 2023, may be impaired.

In the opinion of the Authority, there are no significant contingent liabilities relating to compliance with the rules and regulations governing the respective grants; therefore, no provision has been recorded in the accompanying financial statements for such contingencies.

NOTE 15 NEW PRONOUNCEMENTS

GASB Statement No. 99, *Omnibus 2022*, provides guidance on the following accounting matters:

- The requirements related to extension of the use of LIBOR, accounting for SNAP distributions, disclosures of nonmonetary transactions, pledges of future revenues by pledging governments, clarification of certain provisions in Statement 34, as amended, and terminology updates related to Statement 53 and Statement 63 are effective upon issuance.
- The requirements related to leases, PPPs, and SBITAs are effective for fiscal years beginning after June 15, 2022, and all reporting periods thereafter.
- The requirements related to financial guarantees and the classification and reporting of derivative instruments within the scope of Statement 53 are effective for fiscal years beginning after June 15, 2023, and all reporting periods thereafter.

GASB Statement No. 100, Accounting Changes and Error Corrections – An Amendment of GASB Statement No. 62, enhances the accounting and financial reporting requirements for accounting changes and error corrections. The standard is effective for fiscal years beginning after June 15, 2023.

GASB Statement No. 101, *Compensated Absences*, updates the recognition and measurement guidance for compensated absences through aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. The standard is effective for fiscal years beginning after December 15, 2023.

GASB Statement No. 102, *Certain Risk Disclosures*, requires entities to disclose critical information about their exposure to risks due to certain concentrations or limitations that could lead to financial distress or operational challenges. This statement is effective for fiscal years beginning after June 15, 2024.

Management has not yet determined what effect these statements will have on the entity's financial statements.

NOTE 16 SUBSEQUENT EVENTS

On February 12, 2024, the Authority was awarded a \$10,000,000 federal grant from the FAA. This grant is part of the Bipartisan Infrastructure Law – Airport Terminal Development Program (BIL-ATP) that was formed to provide competitive grants for airport terminal development projects that address the aging infrastructure of the nation's airports.

On March 15, 2024, the Authority received a \$40,000,000 Airport Facilities Revenue Bond, Series 2024 from the Bank of North Dakota to aid in the funding of the parking structure and passenger terminal expansion projects. The first payment on the bond is scheduled for May 1, 2025.

In May 2024, the Authority will break ground on two major infrastructure projects – the terminal expansion and modification project (and associated apron expansion) and the parking structure elevated walkway project. The terminal expansion project will add four gates to the passenger terminal for a total of nine gates when completed. The expansion is scheduled to be completed during the first quarter of 2026. The existing passenger terminal renovations will begin in the first quarter of 2026 and are scheduled to be completed in the first quarter of 2027. The project for the parking structure and elevated walkway is estimated to cost approximately \$47.4 million. This will consist of a four-story structure that will accommodate approximately 977 vehicles. Construction is expected to take 14 months to complete. The parking structure is scheduled to be operational in mid-2025.

No other significant events occurred subsequent to the Authority's year end. Subsequent events have been evaluated through March 28, 2024, which is the date these financial statements were available to be issued.

MUNICIPAL AIRPORT AUTHORITY OF THE CITY OF FARGO, ND NOTES TO THE REQUIRED SUPPLEMENTARY INFORMATION AS OF DECEMBER 31, 2023

NOTE 1 – DEFINED BENEFIT PENSION PLANS

NDPERS Main System

Changes of Benefit Terms

In 2023, House Bill 1040 was passed, which closes the Main System to employees newly enrolled into the system on January 1, 2025 and later. The state employer contribution for 2026 and later was changed to be the amount sufficient to fund the Main System on actuarial basis, with the amortization of the unfunded liability determined on a level percent of payroll basis over a closed period beginning on January 1, 2026 and ending June 30, 2056.

Changes of Assumptions

All actuarial assumptions used in the actuarial valuation as of July 1, 2022 were based on an experience review for the period from July 1, 2014 to July 1, 2019, and were adopted for first use commencing with the actuarial valuation as of July 1, 2020. There have been no changes in actuarial assumptions since the previous actuarial valuation as of July 1, 2022.

NDPERS Law Enforcement System

Changes of Benefit Terms

Legislation was passed relating to the Public Safety with Prior Service System. The Public Safety with Prior Service System was expanded to allow peace officers employed by the State to participate. The provisions are similar to the Public Safety with Prior Service System, but with a 6.00 percent employee contribution rate. The benefit multiplier and the vesting requirements for the Bureau of Criminal Investigation group were changed.

Changes of Assumptions

All actuarial assumptions used in the actuarial valuation as of July 1, 2022 were based on an experience review for the period from July 1, 2014 to July 1, 2019, and were adopted for first use commencing with the actuarial valuation as of July 1, 2020. There have been no changes in actuarial assumptions since the previous actuarial valuation as of July 1, 2022.

MUNICIPAL AIRPORT AUTHORITY OF THE CITY OF FARGO, ND NOTES TO THE REQUIRED SUPPLEMENTARY INFORMATION - CONTINUED AS OF DECEMBER 31, 2023

NOTE 2 – OTHER POST EMPLOYMENT BENEFITS

Changes of Benefit Terms

Beginning January 1, 2020, members first enrolled in the NDPERS Main System and the Defined Contribution Plan on or after that date will not be eligible to participate in RHIC. Therefore, RHIC will become for the most part a closed plan. There have been no other changes in plan provisions since the previous actuarial valuation as of July 1, 2022.

Changes of Assumptions

All actuarial assumptions used in the actuarial valuation as of July 1, 2022 were based on an experience review for the period from July 1, 2014 to July 1, 2019, and were adopted for first use commencing with the actuarial valuation as of July 1, 2020. There have been no changes in actuarial assumptions since the previous actuarial valuation as of July 1, 2022.

BradyMartz

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Commissioners Municipal Airport Authority of the City of Fargo, ND Fargo, North Dakota

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Municipal Airport Authority of the City of Fargo, ND, as of and for the year ended December 31, 2023, and the related notes to the financial statements, which collectively comprise the Municipal Airport Authority of the City of Fargo, ND's basic financial statements, and have issued our report thereon dated March 28, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Municipal Airport Authority of the City of Fargo, ND's internal control. Accordingly, we do not express an opinion on the effectiveness of the Municipal Airport Authority.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as items 2023-001 and 2023-002 that we consider to be significant deficiencies.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Authority's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the Authority's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The Authority's responses were not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the responses.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Commissioners Municipal Airport Authority of the City of Fargo, ND Fargo, North Dakota

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Municipal Airport Authority of the City of Fargo, ND's (the "Authority") compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on Municipal Airport Authority of the City of Fargo, ND's major federal program for the year ended December 31, 2023. The Authority's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Authority's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Municipal Airport Authority of the City of Fargo, ND's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Authority's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Authority's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Authority's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Authority's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiencies, in internal control over compliance is a deficiencies, in internal control over compliance is a deficiency or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during the audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we deficiencies in internal control over compliance.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

MUNICIPAL AIRPORT AUTHORITY OF THE CITY OF FARGO, ND SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED DECEMBER 31, 2023

Federal Grantor/Program Title	Assistance Listing Number	Exp	penditures
Department of Transportation (FAA)			
Airport Improvement Program	20.106	\$	6,499,517
COVID-19 Airport Improvement Program	20.106	_	14,711,820
Total Department of Transportation (FAA)		_	21,211,337
Total Expenditures of Federal Awards		\$	21,211,337

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the schedule of expenditures of federal awards (the "Schedule") are reported on the accrual basis of accounting. Such expenditures are recognized following, as applicable, the cost principles contained in Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 2 INDIRECT COST RATE

The Authority has not elected to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE 3 BASIS OF PRESENTATION

The accompanying Schedule includes the federal award activity of the Municipal Airport Authority of the City of Fargo, ND for the year ended December 31, 2023. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Municipal Airport Authority of the City of Fargo, ND, it is not intended to and does not present the financial position, changes in net position, or cash flows of the Municipal Airport Authority of the City of Fargo, ND.

MUNICIPAL AIRPORT AUTHORITY OF THE CITY OF FARGO, ND SCHEDULE OF FINDINGS AND QUESTIONED COSTS - CONTINUED FOR THE YEAR ENDED DECEMBER 31, 2023

SECTION II - FINANCIAL STATEMENT FINDINGS

2023-001 Preparation of Financial Statements and Schedule of Expenditures of Federal Awards – Significant Deficiency

Criteria

An appropriate system of internal control requires the entity to prepare financial statements and the schedule of expenditures of federal awards (SEFA) in compliance with accounting principles generally accepted in the United States of America.

Condition The Authority's personnel prepare periodic financial information for internal use that meets the needs of management and the Board. However, the Authority does not prepare financial statements, including accompanying note disclosures, nor the SEFA, as required by accounting principles generally accepted in the United States of America. The entity has elected to have the auditors assist in the preparation of the financial statements and notes.

Cause

The Authority elected to not allocate resources for the preparation of the financial statements and SEFA.

Effect

There is an increased risk of material misstatement to the Authority's financial statements and SEFA.

Repeat Finding See 2022-001.

Recommendation

We recommend the Authority consider the additional risk of having the auditors assist in the preparation of the financial statements and note disclosures and SEFA and consider preparing them in the future. As a compensating control the entity should establish an internal control policy to document the annual review of the financial statements and schedules and to review a financial statement disclosure checklist.

Views of Responsible Officials and Planned Corrective Actions

Management recognizes the deficiency and believes it is effectively handling the reporting responsibilities with the procedures described above. To help mitigate this risk, the Authority has hired a third-party accountant to aid with periodic reporting and review. Due to cost constraints, the Authority will continue to have the auditors draft the financial statements and accompanying notes to the financial statements.

MUNICIPAL AIRPORT AUTHORITY OF THE CITY OF FARGO. ND SCHEDULE OF FINDINGS AND QUESTIONED COSTS - CONTINUED FOR THE YEAR ENDED DECEMBER 31, 2023

2023-002 Segregation of Duties – Significant Deficiency

Criteria

A proper system of internal control has the proper separation of duties between authorization, custody, record keeping and reconciliation.

Condition

There is not a system in place for accounting duties to be properly segregated between authorization, custody, record keeping and reconciliation.

Cause

The Authority is subject to size and budget constraints limiting the number of personnel within the accounting department.

Effect

The design of the internal control over financial reporting could adversely affect the ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements.

Recommendation

We recommend the organization review their internal controls over the accounting functions to determine if additional procedures can be implemented that are cost effective. The board should constantly be aware of this condition. Compensating controls that mitigate the related risks could be (or are) provided through appropriate oversight of the performance of these functions and review of the financial reports by individuals with knowledge of current operations and accounting principles.

Repeat Finding See 2022-002.

Views of Responsible Officials and Planned Corrective Actions

In addition to its third-party accountant, the Authority has contracted with a certified public accounting and business advisory firm to provide various CFO-like services that will include periodic analysis and other planning functions. The Authority will continue to involve the Board in the review and supervision of disbursements and transactions.

SECTION III - FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

There are no findings required to be reported under this section.

MUNICIPAL AIRPORT AUTHORITY OF THE CITY OF FARGO, ND SCHEDULE OF PRIOR YEAR FINDINGS FOR THE YEAR ENDED DECEMBER 31, 2023

2022-001 Preparation of Financial Statements and Schedule of Expenditures of Federal Awards – Significant Deficiency

Criteria

An appropriate system of internal control requires the entity to prepare financial statements and the schedule of expenditures of federal awards (SEFA) in compliance with accounting principles generally accepted in the United States of America.

<u>Condition</u> The Authority's personnel prepare periodic financial information for internal use that meets the needs of management and the Board. However, the Authority does not prepare financial statements, including accompanying note disclosures, nor the SEFA, as required by accounting principles generally accepted in the United States of America. The entity has elected to have the auditors assist in the preparation of the financial statements and notes.

Current Year Status See 2023-001

2022-002 Segregation of Duties – Significant Deficiency

Criteria

A proper system of internal control has the proper separation of duties between authorization, custody, record keeping and reconciliation.

Condition

There is not a system in place for accounting duties to be properly segregated between authorization, custody, record keeping and reconciliation.

Current Year Status See 2023-002.

MUNICIPAL AIRPORT AUTHORITY OF THE CITY OF FARGO

CORRECTIVE ACTION PLAN DECEMBER 31, 2023

2023-001

Contact Person Shawn Dobberstein, Executive Director

Corrective Action Plan

No action is planned on the finding. The Authority feels that the additional costs to the Authority would not be significantly beneficial. The Authority does mitigate the situation through the review of the draft financial statements and accompanying notes to the financial statements.

Planned Completion Date for CAP None. See above.

2023-002

Contact Person Shawn Dobberstein, Executive Director

<u>Corrective Action Plan</u> Management will continue to review and improve its control processes and segregating duties further to mitigate the risk of unauthorized transactions or loss of assets.

Planned Completion Date for CAP Ongoing

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO PASSENGER FACILITY CHARGES AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH PASSENGER FACILITY CHARGE GUIDE FOR PUBLIC AGENCIES

Board of Commissioners Municipal Airport Authority of the City of Fargo, ND Fargo, North Dakota

Report on Compliance for Passenger Facility Charges Program

Opinion on Passenger Facility Charges Program

We have audited the compliance of the Municipal Airport Authority of the City of Fargo, ND (the "Authority"), with the types of compliance requirements described in the *Passenger Facility Charge Audit Guide for Public Agencies,* issued by the Federal Aviation Administration (the "Guide"), for its passenger facility charge program for the year ended December 31, 2023.

In our opinion, the Authority complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect to the passenger facility charge program for the year ended December 31, 2023.

Basis for Opinion on Passenger Facility Charges Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the Guide. Our responsibilities under those standards and the Guide are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the Passenger Facility Charges Program. Our audit does not provide a legal determination of the Authority's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to its passenger facility charge program.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Authority's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Guide will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Authority's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Guide, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Authority's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Authority's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Guide, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of the passenger facility program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance are equirement of the passenger facility program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance requirement of the passenger facility program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance with a type of compliance requirement of the passenger facility program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of the passenger facility program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit, we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the *Passenger Facility Charge Audit Guide for Public Agencies* issued by the Federal Aviation Administration (the "Guide"). Accordingly, this report is not suitable for any other purpose.

This report is intended solely for the information of the Board of Commissioners, management, and the Department of Transportation and is not intended to be and should not be used by anyone other than these specified parties.

Passenger Facility Charges are presented above on a cash basis.

MUNICIPAL AIRPORT AUTHORITY OF THE CITY OF FARGO, ND SCHEDULE OF FINDINGS AND QUESTIONED COSTS – SCHEDULE OF PASSENGER FACILITY CHARGE PROGRAM FOR THE YEAR ENDED DECEMBER 31, 2023

- I. Summary of Auditor's Results
 - i) An unmodified report was issued on the December 31, 2023 financial statements of the Municipal Airport Authority of the City of Fargo, ND (the "Authority").
 - No non-compliance, which is material to the financial statements, was disclosed by the audit.
 - iii) An unmodified opinion was issued on compliance for the passenger facility charge program.
- II. There were two findings related to the financial statements, which are required to be reported in accordance with generally accepted *Government Auditing Standards*, shown as 2023-001 and 2023-002 on pages 52 and 53 of the Authority's audited financial statements for the year ended December 31, 2023.
- III. There were no findings related to the Passenger Facility Charge Audit Guide for Public Agencies, which are required to be reported.

U.S. GOVERNMENT LICENSE FOR REAL PROPERTY

DATE OF LICENSE:

LICENSE NO: 24RPND073L

This License is made and entered into between: Municipal Airport Authority of the City of Fargo

whose address is: 2801 32nd Ave N, Fargo, ND 58102

hereinafter called the "Licensor", and the United States of America, hereinafter called the "Government".

Witnesseth: The parties hereto, for the mutual undertakings of the parties and consideration hereinafter mentioned, covenant and agree as follows:

- Premises. Licensor owns or controls improved land located at <u>Hector International Airport</u> 2801 32nd Ave N, Fargo, ND 58102 in <u>Cass County</u> (the "Property"). Licensor licenses to the Government and the Government licenses from the Licensor a portion of the Property consisting of approximately <u>0.05 acres</u> of improved land along with <u>cabling and the placement of an ACU unit in the Equipment Room</u> on the second floor of the terminal building (the "Premises"). The approximate geographic coordinates of the Premises are <u>Latitude 46.92425</u>, Longitude <u>96.811889</u>. Exhibit A further describe the Property and Premises.
- 2. <u>Term.</u> This License begins on <u>October 1, 2023</u> and ends on <u>September 30, 2043</u>, subject to the termination and other rights as may be hereinafter set forth. The parties may agree to enter into a succeeding ground license after this License ends, with the Government's property (e.g., improvements, equipment) remaining the property of the Government.
- 3. <u>Rent and Transfer of Funds.</u> The Government shall pay the Licensor no monetary consideration in the form of rent. Nothing in this License shall constitute an obligation of the Government to transfer its funds to the Licensor or others.
- 4. <u>Termination</u>. This License is revocable at will by either party. Should this License be revoked prior to the agreed upon expiration date, then, the parties will coordinate the removal of the Government's equipment.
- 5. Use. The Government may use the Premises for any lawful purpose, such as for installing, operating, maintaining, repairing, and replacing its equipment (e.g., Automated Surface Observing System (ASOS) equipment, including associated antenna and cabling) as may be necessary in order to carry out the Government's mission. The Government shall have the right to make alterations, additions, and improvements to the Premises and Government property as may be necessary in order to carry out the Government property as may be necessary in order to carry out the Government property as may be necessary in order to carry out the Government property as may be necessary in order to carry out the Government's mission.
- 6. <u>Utility Connection</u>. The Government shall have right-of-way to connect to all necessary utilities (e.g., for maintaining power, telecommunications, cabling, and fuel lines to the Premises); all rights-of-way to be over or under the Property may be by routes reasonably determined to be the most convenient to the Government. The Government is responsible for funding its connection to the Premises and shall arrange for connection to existing utilities through separate agreements.
- 7. <u>Operations, Maintenance & Utilities.</u> (a) The Government will keep and maintain the Government's equipment in good condition, reasonable wear and tear excepted. (b) The Licensor shall maintain, repair, and keep in good and tenantable condition the Premises, as well as the access to the Premises. (c) The Licensor agrees to use reasonable efforts to provide the Government with de minimis amounts of electricity, standby power, fuel and associated maintenance for the generator and its fuel tank, trash removal, pest control, and, as needed, seasonal maintenance (e.g., landscaping, lawn mowing, snow removal). The Government shall be responsible for obtaining and paying for its own utilities and services beyond any de minimis amounts provided by the Licensor.
- 8. <u>Taxes and Assessments.</u> The Government shall not be responsible for the payment of any taxes, assessments, or fees levied on the Property or on the Government's property (e.g., equipment).

U.S. GOVERNMENT LICENSE FOR REAL PROPERTY DOC NOAA 2020 V1 (DEC)

- 9. Access. For the duration of this License, and at no cost to the Government, the Licensor is responsible for ensuring the Government, its employees, contractors, subcontractors, licensees and other authorized representatives shall have access (rights of ingress and egress) to the Premises at all times (i.e., 24 hours per day and 7 days per week). The Licensor shall be responsible for securing any easement, right of entry, or other access agreement necessary to ensure the Government's access to the Premises from a nearby public roadway. When applicable, the Licensor shall provide the Government with at least two keys or the combination or code for any security fencing. The Government may, at its own expense, erect a fence or other barrier to restrict access to the Premises.
- 10. <u>Hazardous Materials.</u> The Premises shall be free of hazardous materials according to applicable environmental laws and regulations.
- 11. <u>Government Property.</u> Licensor covenants and agrees that none, nor any part, of the Government's property (e.g., equipment, buildings, fixtures, improvements) placed in, on, upon or affixed to the Premises shall become, or be considered part of, the Premises. The Government's property shall remain the property of the Government, unless disposed of or abandoned by the Government in accordance with applicable federal laws and regulations. Said disposal or abandonment will also need to be coordinated among the parties.
- 12. <u>Authority to License</u>. Licensor covenants that Licensor's interest in the Property is sufficient to enter into this License and Licensor's signatory has full authority to bind the Licensor to all terms and conditions of this License; the Government may reasonably request evidence of said interest and authority.
- 13. <u>Claims.</u> For the purposes of this License, the Government is considered to be self-insured. The Government agrees to promptly consider and adjudicate any claims which may arise out of use of the Licensor's Property/Premises by the Government or duly authorized representatives or contractors of the Government and to pay for any damage or injury as may be required by applicable law. Such adjudication may be pursued under the Federal Tort Claims Act, 28 U.S.C. § 2671 <u>et seq.</u>, the Federal Employees' Compensation Act, 5 U.S.C. § 8101 <u>et seq.</u>, or such other legal authority as may be pertinent.

14. Correspondence.

Correspondence to the Licensor shall be sent to:	Correspondence to the Government shall be sent to:
Hector International Airport	United States Department of Commerce
PO Box 2845	NOAA Real Property Management Division
Fargo, North Dakota 58108-2845	1305 E/W Highway, SSMC IV,
	Silver Spring, MD 20910
Attn: Executive Director	Attn: Contracting Officer

- 15. <u>Successors Bound</u>. This License shall bind, and inure to the benefit of, the parties and their respective heirs, executors, administrators, successors, and assigns.
- 16. <u>Quiet Enjoyment</u>. Licensor agrees that the Government shall lawfully and quietly hold, occupy and enjoy the Premises during the term of this License, without hindrance from Licensor or anyone claiming rights by, through or under Licensor. In support of the Government's mission of collecting, studying, and reporting on meteorological conditions, the Licensor agrees to share any potential development plans with the Government to avoid damaging any Government improvements including the Government's utility lines, grading and access.

17. Exhibits and Attachments. The following are attached and made a part hereof:

- A. Exhibit "A", Description of the Property and Premises (4 pages)
- B. Exhibit "B", Description of equipment (2 pages)

18. <u>Prior Transaction</u>. This License succeeds License number <u>09EKS0005N</u>.

In Witness Whereof, the parties to this License evidence their agreement to all terms and conditions set forth herein by their signatures below.

NOTES:

- 1) 30A, 2P, 600V, NEMA 3R disconnect switch "C", fused at 8A.
- (2) 3.0 KVA, 600V to 120V, 1PH dry-type distribution transformer "TB".
- (3) 30A, 2P, 240V, SN, NEMA 3R disconnect switch "D", fused at 30A. Only 1 fuse provided. Grounded conductor (neutral) not fused. Equipment mounting frame as shown is made of 3" diameter SCH 40 threaded galvanized steel pipe. Pipe is set in 12" dia. x 3'-6" deep concrete piers. Crossmembers are 1 5/8" sq. 12 gauge galvanized steel electrical channel, fastened to pipe with galvanized u-bolts. Frame is grounded with a #6 bare conductor to the ground rod.
- (5) 12" round concrete piers x 3'-6" deep.
 (6) 3/4" dia. x 10'-0" long copperweld group
- (6) 3/4" dia. x 10'-0" long copperweld ground rod, min. 12" below grade. All welds are exothermic.
- 1 1/4" PVC clad RGS conduit with 90 sweep elbow and insulated ground bushings. Conduit grounds are tied together at the ground rod with #6 bare conductor.
- 8 0-650V, 2P lightning arrestor mounted in knockout hole in wireway. Ground is direct to ground rod.
- (9) 4" square NEMA 3R wireway with removable front cover.
- 1-2/C#8, 600V, Type MC power cable. Direct buried to electrical equipment mounting frame at ASR site. See plans 3, 4 and 5.
- (1) 1-2/C#10, 600V, Type MC power cable. Direct buried to combined sensor group DCP. See plan 3.
- (12) Code sized RCS conduit and wiring, typical.

ELECTRICAL EQUIPMENT MOUNTING FRAME AT SENSOR GROUP SCALE: 3/8" = 1'-0"

March 9, 2024

Fargo Jet Center 3801 20th st N Fargo, ND 58102

Dear Fargo Airport Authority,

Midco is in the process of building fiber to the some of the areas that we currently do not serve. The Fargo Jet Center is one of those areas. We would like to extend our fiber plant for the purpose of serving customers who may be interested in our service. This will give customers at the jet center another option for communication services.

- If approved by the airport auth, midco would have a 10' easement drawn up by Moore Eng
- · This would allow any commercial buildings access to more internet options
- This fiber connection would be put in via underground boring.

Midco would like to request permission from the airport Authority to access the property, and install fiber for future connections to any and all buildings at the Fargo Jet Center.

Sincerely,

Tony Geffre, Midco Region Construction Project Manager 50 22nd st E, West Fargo, ND 701-552-2585

Engineering Services Estimate Summary
